

# I got screened. Now, I'm talking about it.

Screening can prevent  
**colorectal cancer** or catch the  
#2 cancer killer early when  
it's highly treatable.

If you've been screened, please  
talk about your experience.  
And encourage others to get  
screened too.

**COLORECTAL CANCER**  
The cancer *you* can prevent.
